This screenshot shows the home page of the 'Registration Portal'. The header includes the site name, navigation links (Home, Registration, About, Contact), a progress indicator (Start 0%), the date (Jul 15, 2026), and a user profile icon. A left sidebar titled 'Register' lists five steps: 1. Personal Info, 2. Address, 3. Education, 4. Preferences, and 5. Review. The main content area, titled 'Multi-Step Registration', shows a 0% progress bar and a large white box with the text 'Welcome to the Registration Portal' and 'Complete all 5 steps to register. Click the button below to get started.' A purple 'Start Registration ->' button is centered below the text. The footer contains three sections: 'QUICK LINKS', 'RESOURCES', and 'DEVELOPER'.

This screenshot shows the 'Personal Information' registration form, which is Step 1 of 5 (20% complete). The left sidebar now highlights '2 Address'.
